Document Title: Site Assessment Terms & Conditions

Effective Date: 03/12/2026

Prepared By: Progressive Welding Solutions Ltd.

Service Type: Paid Technical Site Assessment

1. Service Overview

The Site Assessment is a paid professional service used to evaluate project requirements prior to quotation, procurement, fabrication, or installation.

Includes:

- Measurement and dimension capture
 - Site condition evaluation
 - Installation feasibility review
 - Preliminary system recommendations
-

2. Purpose of Assessment

The assessment ensures:

- Accurate sizing and fitment
- Proper system selection
- Reduced ordering and installation errors
- Reliable project quotation

No quotation will be issued without an assessment unless approved in writing.

3. Assessment Fees & Payment

Progressive Welding Solutions Ltd

- Fees are based on location zones
 - Payment is required **before scheduling**
 - Fees are **non-refundable**
 - Fees **may be credited** toward the project if approved
-

4. Zone Selection Responsibility

The client is responsible for selecting the correct zone when booking.

- Zones are determined based on **location from north to south of the island**
- If an incorrect zone is selected:
 - The appointment may be **rescheduled**, or
 - The client will be required to **pay the difference before the visit**

If unsure, the client must contact the Company before booking.

5. Scheduling & Access

- Appointments are scheduled after payment confirmation
- Dates are subject to availability
- The Company may reschedule if necessary

Client must:

- Provide safe access
 - Ensure the site is ready for measurement
 - Provide relevant project details
-

6. Scope Limitations

The assessment does NOT include:

- Structural engineering certification
- Load calculations
- Final design drawings (unless separately contracted)

All findings are based on visible conditions at the time of inspection.

7. Changes After Assessment

Any changes made after the site assessment may affect:

- Design
- Material quantities
- Pricing

A **new assessment or revision fee** may be required.

8. Quotation Validity

- Valid for **30 days**
 - Subject to change due to:
 - Material cost fluctuations
 - Design changes
 - Site condition updates
-

9. Travel & Site Conditions

Additional charges may apply if:

- Site access is difficult
 - Travel conditions change
 - Excessive wait time occurs
-

10. Cancellation Policy

- Minimum **24-hour notice required**
 - Late cancellations = **loss of payment**
-

11. Liability Disclaimer

Progressive Welding Solutions Ltd
